Trimming Practice

These days will give participants the opportunity to hone their basic trims under the supervision of a Strasser Seminar Clinician. You will benefit from trimming instruction and the opportunity to ask any specific questions related to trimming according to the Strasser Method. This seminar includes life horse trimming.

Please note: participants must have attended at least one Strasser Holistic Horse and Hoofcare Seminar in order to attend a Trimming Practice Seminar. Especially at the beginning, it is highly recommended that you have an SHP to work with you on your horse.

Trimming Practice Dates:

21/7, 2014 – Kumeu, NI
12/7, 2014 - Cust, SI

Costs:

Trimming Practice (day 1)..... \$125 (incl. GST)
Trimming Practice (days 1 & 2 If previously attended above seminar).....\$245 (incl. GST)

Deposit required to secure your place:..... 50% of full fee; full fee due 4 weeks prior to seminar

Cost includes am/pm tea. 20% discount for pupils and students with appropriate ID. 50% discount for further family members attending the same seminar. Payment gets refunded in full if the seminar gets cancelled. In case the participant cancels, the payment gets credited towards a future seminar or 50% refund.
